

# Jérémy Froment

Learn more about my skills and projects here.

## Quick overview.

Hi. I'm Jérémy, nice to meet you.

I am a French developer who would like you to know more about him. I'm passionate about computer science with a tendency to be a perfectionist and I love things well done (especially beautiful things). I also like sports in general. Welcome !

📍 Cannes, France   🎂 27 years   ✉ jeremyfroment@yahoo.fr
